North Carolina Scratch Rule

208.3. INDIVIDUAL SCRATCH RULE Swimmers shall inform themselves of the meet starting time and shall report to the proper meet authorities promptly upon call. The meet announcement shall specify all mandatory check-in and scratch deadlines and procedures.

- .1 Pre-Seeded Meets - Any swimmer not reporting for or competing in an individual timed final event shall not be penalized.
- .2 Events Seeded on the Deck - Any swimmer entered in an individual event that is seeded on the deck, in whole or in part, who has checked in for that event, must swim in the event unless the swimmer notifies the clerk of course before the seeding for that event has begun that the swimmer wishes to scratch or as noted in 208.3.4 A or D. Failure to scratch prior to seeding and not swimming the event will result in the swimmer being barred from the next individual event in which the swimmer entered in the meet. Unless the meet announcement states otherwise, events seeded on the deck shall be closed for seeding no later than thirty (30) minutes prior to the start of the event except that individual events of 400 meters or longer may be closed for seeding up to twenty-four (24) hours before the expected start of the event if the check-in/scratch deadline occurs after the beginning of the meet and is announced in the meet announcement.
- .3 Preliminary and Finals Events
 - A. Any swimmer not reporting for or competing in a pre-seeded preliminary heat when finals are scheduled shall not be penalized. If the preliminary heat is seeded on the deck, then 208.3.2 applies
 - B. Any swimmer qualifying for an A final, scored or not scored, or B scored final race in an individual event who fails to compete in said A or B final race shall be barred from further competition for the remainder of the meet, except as noted in 208.3.4. For events occurring on the last day of a meet, a fine of \$100 per missed swim shall also be assessed to the club by the appropriate Division Chair for failure to compete. A declared false start or deliberate delay of meet is not permitted and will be regarded as a failure to compete.
 - C. In the event of withdrawal or barring of a swimmer from competition, when possible, the Referee shall fill the A, B, or C final with the next qualified swimmer(s). First and second alternates shall be announced along with the final qualifiers. These and all other alternates and those qualifying for non-scoring B or C finals shall not be penalized if unavailable to compete
 - D. When the B or C final has not yet been swum and a barring or withdrawal is known in advance by the Referee, the Referee should re-seed the A, B, or C finals, if necessary, to insert the alternate(s) in the appropriate lane(s), filling all lanes in the final. In order to prevent undue delay of the A, B, or C finals, the Referee may elect to fill the empty lane(s), without re-seeding, with the next qualified alternate, or if unavailable, the next qualified swimmer(s) who is/are present in the starting area and ready to swim
 - E. If a C or B final has already been swum, the A final of that event shall be swum without filling the empty lane(s)
- .4 Exception for Failure to Compete - No penalty shall apply for failure to compete in or scratch an individual event if:
 - A. The Referee is notified in the event of illness or injury and accepts the proof thereof.
 - B. The swimmers qualifying for an A final or B final race based upon the results of the preliminaries notifies the Referee within thirty (30) minutes after announcement of the qualifiers of that final race that they may not intend to compete and also declares his final decision whether or not to scratch within thirty (30) minutes following his last individual preliminary heat, swim-off, or re-swim.
 - C. The swimmer was not named in any finals heat during the initial announcement of results
 - D. It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.

208.4. RELAY SCRATCH RULE

- .1 All Meets - Any relay or relay member, in a relay event that fails to compete in or report for that event shall not be penalized.
