FACILITY and HOST TEAM REQUIREMENTS

QCD has discussed specific health and safety procedures with venue management. Compliance with the most current guidelines from USA Swimming, North Carolina Swimming, CDC, State and local jurisdictions will be maintained throughout the duration of the meet. At this time, the facility and/or QCD have the following additional requirements.

- All meet participants – coaches, officials, administrators, volunteers, vendors, and athletes (when not in the pool) – must wear face coverings/masks that fit snugly against the face and simultaneously cover the nose and mouth at all times while in the facility to minimize the spread of respiratory droplets.

To be included in the 500 are lifeguards, maintenance staff, officials, coaches, timers, other volunteers/COVID monitors, athletes, etc. **No spectators are permitted.**
- There will be a maximum of 400 swimmers per session. This number may be adjusted lower as needed to keep the total number of individuals in the building fewer than 500 per facility guidelines for maximum occupancy.

WARM-UPS

- During warmups, MCAC will allow 8 swimmers per lane in the 25y competition course, providing over 9ft of social distancing.
- During warmups, as well as continuous warm-up and cool down during the meet, MCAC will allow 8 swimmers per lane in the warm pool, providing over 9ft of social distancing.
- A multi-period warmup may be utilized to comply with current COVID guidelines and if swimmer numbers warrant. Warmup assignments and procedures will be communicated prior to the meet.
- Teams will have assigned lanes throughout the duration of the swim meet.
- ONLY Swimmers participating in a session may warm-up for that session.

LOCKER ROOMS/ CHANGING

- The main building entrance will be the exit for the facility.

TEAM SEATING

- Teams will be asked to maintain 6 feet distancing in their assigned areas.

- Sections of the bleachers in the deep end behind the diving boards will be pulled out.

- The mezzanine bleachers will be available for participants along with the other permanent seating.

STAGING

- All events will be staged and sequenced to promote social distancing. All athletes must report to the designated staging areas ready to swim 10 minutes prior their heat. Three heats will be staged at one time. Each heat will be designated as red, yellow, and green. A volunteer will instruct the swimmers when to proceed to the next area and ultimately behind the block.
- Using flyover starts, upon the start of a heat, the athletes in the heat in the water will exit the water after the start of the heat, redon their mask immediately upon exiting the pool and prior to proceeding towards the lane one side of the pool scoreboard end of the pool for warm down. The next up heat will be processed from the staging area to behind the blocks once the swimmers that were in the water have begun to clear the starting area.

There will be no “In-Person” spectator viewing.

PARENTAL ACCESS

Parents needing access to their athlete during the meet in a closed-deck environment can contact their children directly via cellphone and arrange to meet them at the designated exit of the building.
